OUR DEDICATION

The Gold and White Staff proudly dedicates its 1967 annual to two inspirational women of the community. Mrs. Hankins and Mrs. Lang have given their time and effort to beautify the grounds of Sutter Union High School. As you may remember our school when it was just completed, a struggling lawn was the only evidence of any vegitation. Now beautiful trees, shrubs and plants are in the process of providing the school with decorative landscaping. Thank you, Mrs. Hankins and Mrs. Lang!

Congratulations 1966 S.V.L. Champions for your perfect season. This is an accomplishment that few teams attain. The opportunity of playing in an undefeated and untied varsity team is an experience that you will cherish the rest of your life. Several have academic and athletic ability to succeed at the college level. I hope that each of you will continue your education and let football be a part of it. Remember, it takes more than ability to be successful. Desire is equally important. I wish each of you the best of luck, and hope that your life is one of success and happiness.

Sincerely,

Mr. Anson Dobson

Principal

Principal's Message

Another year reminds us that we continue to measure our lives by the passing of time - by days and months and years- while a more reasonable and significant criterion of every human life is its breadth and depth-and influence.

Though I wish each student well, the fulfillment of that wish lies within each of you. In both personal and business relationships, your well-being and happiness depend entirely upon your attitude toward other people, and toward your work.

Anson Dobson

Vice Principal Message

"Success" means a degree or measure of succeeding or attaining one's desired end.

I hope that each one of you graduating seniors have had some success at the high school which will help enable you to succeed in your own life goals.

Remember, success in life is not so much a matter of talent, as it is of concentration and perseverance.

Good luck, and my best wishes to each of you.

Sincerely,

Wayne Gadberry

"AS WE KNOW HIM"

The Gold and White staff of 1967 is devoting this page to Mr. Adamski, our advisor, because of the tremendous help he has given us this past year. We want all the students at Sutter High to know Mr. Adamski. Therefore, we hope these pictures will aid you in getting to know him as we do in first period.
